PURPOSE
The purpose/objectives below are based on the Standards for an Accredited Educational Program for the Occupational Therapist (Accreditation Council for Occupational Therapy Education, July 2013):

B.8.0. SCHOLARSHIP

Promotion of scholarly endeavors will serve to describe and interpret the scope of the profession, establish new knowledge, and interpret and apply this knowledge to practice. The program must facilitate development of the performance criteria listed below. The student will be able to:

• B.8.1. Articulate the importance of research, scholarly activities, and the continued development of a body of knowledge relevant to the profession of occupational therapy.
• B.8.2. Effectively locate, understand, and evaluate information, including the quality of research evidence.
• B.8.3. Use research literature to make evidence-based decisions.
• B.8.4. Understand and use basic descriptive, correlational, and inferential quantitative statistics and code, analyze, and synthesize qualitative data.
• B.8.5. Understand and critique the validity of research studies, including designs (both quantitative and qualitative) and methodologies.
• B.8.6. Demonstrate the skills necessary to design a research proposal that includes the research question, relevant literature, sample, design, measurement, and data analysis.
• B.8.7. Implement one or more aspects of research methodology. These may be simulated or actual and may include, but are not limited to, designing research instruments, collecting data, and analyzing or synthesizing data. These research activities may be completed individually, with a group, or with a faculty member.
• B.8.8. Demonstrate basic skills necessary to write a research report in a format for presentation or publication.
• B.8.9. Demonstrate an understanding of the process of locating and securing grants and how grants can serve as a fiscal resource for research and practice.

ACADEMIC REQUIREMENTS AND GRADING

Exams: Exam 1 and Exam 2 will be administered. It will be based on lectures and readings. The Exam 1 will cover information presented in class up until that point. The Exam 2 will cover the rest of the materials presented in class (second half of the course).

Assignments

Practical Research Project: This is a simulated research project whereby groups of approximately 4 students will analyze and synthesize data and write a brief report (e.g., 4 pages) including Introduction, Methods, Results and Discussion sections. All materials to be submitted relative to the Practical Research Project must be typed, double-spaced.

Scientific Poster: Each student pair will create a scientific poster on a research-related topic. Each student pair will be responsible for:
1) Submitting a typed topic for approval.
2) Submitting a final electronic Power Point poster
3) Presenting the poster.

Exam Policy

Policy Related to Make up Exams or Other Work
If you are unable to meet the time frame for submission of exams or other work, you must make prior arrangements with the Course Instructor. Failure to do this will result in a zero grade for that test or assignment.

Please note: Any requests for make-ups due to technical issues MUST be accompanied by the ticket number received from LSS when the problem was reported to them. The ticket number will document the time and date of the problem. You MUST e-mail me within 24 hours of the technical difficulty if you wish to request a make-up.

Policy Related to Required Class Attendance

All faculty are bound by the UF policy for excused absences. For information regarding the UF Attendance Policy see the Registrar website for additional details:
https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx

STUDENT EXPECTATIONS, ROLES, AND OPPORTUNITIES FOR INPUT

Expectations Regarding Course Behavior
Students are expected to interact in a professional demeanor with classmates, faculty and staff, to be prompt in attending class, to be courteous to both the instructor and fellow classmates and to follow through on their individual contributions to group assignments. Please turn off all phones before the start of class.

Academic Integrity

Students are expected to act in accordance with the University of Florida policy on academic integrity. As a student at the University of Florida, you have committed yourself to uphold the Honor Code, which includes the following pledge:

“We, the members of the University of Florida community, pledge to hold ourselves and our peers to the highest standards of honesty and integrity.”

You are expected to exhibit behavior consistent with this commitment to the UF academic community, and on all work submitted for credit at the University of Florida, the following pledge is either required or implied:

“On my honor, I have neither given nor received unauthorized aid in doing this assignment.”

It is your individual responsibility to know and comply with all university policies and procedures regarding academic integrity and the Student Honor Code. Violations of the Honor Code at the University of Florida will
not be tolerated. Violations will be reported to the Dean of Students Office for consideration of disciplinary action. For additional information regarding Academic Integrity, please see Student Conduct and Honor Code or the Graduate Student Website for additional details:
https://www.dso.ufl.edu/sccr/process/student-conduct-honor-code/
http://gradschool.ufl.edu/students/introduction.html

Please remember cheating, lying, misrepresentation, or plagiarism in any form is unacceptable and inexcusable behavior.

Online Faculty Course Evaluation Process
Students are expected to provide feedback on the quality of instruction in this course by completing online evaluations at https://evaluations.ufl.edu. Evaluations are typically open during the last two or three weeks of the semester, but students will be given specific times when they are open. Summary results of these assessments are available to students at https://evaluations.ufl.edu/results/.

SUPPORT SERVICES
Accommodations for Students with Disabilities
Students with disabilities requesting accommodations should first register with the Disability Resource Center (352-392-8565, www.dso.ufl.edu/drc/) by providing appropriate documentation. Once registered, students will receive an accommodation letter which must be presented to the instructor when requesting accommodations. Students with disabilities should follow this procedure as early as possible in the semester.

Counseling and Student Health
Students sometimes experience stress from academic expectations and/or personal and interpersonal issues that may interfere with their academic performance. If you find yourself facing issues that have the potential to or are already negatively affecting your coursework, you are encouraged to talk with an instructor and/or seek help through University resources available to you.

• The Counseling and Wellness Center 352-392-1575 offers a variety of support services such as psychological assessment and intervention and assistance for math and test anxiety. Visit their web site for more information: http://www.counseling.ufl.edu. On line and in person assistance is available.
• You Matter We Care website: http://www.umatter.ufl.edu. If you are feeling overwhelmed or stressed, you can reach out for help through the You Matter We Care website, which is staffed by Dean of Students and Counseling Center personnel.
• The Student Health Care Center at Shands is a satellite clinic of the main Student Health Care Center located on Fletcher Drive on campus. Student Health at Shands offers a variety of clinical services. The clinic is located on the second floor of the Dental Tower in the Health Science Center. For more information, contact the clinic at 392-0627 or check out the web site at: https://shcc.ufl.edu/
• Crisis intervention is always available 24/7 from: Alachua County Crisis Center (352) 264-6789
http://www.alachuacounty.us/DEPTS/SSS/CRISISCENTER/Pages/CrisisCenter.aspx

Do not wait until you reach a crisis to come in and talk with us. We have helped many students through stressful situations impacting their academic performance. You are not alone so do not be afraid to ask for assistance.
